

AIR CONDITIONING REBATE FOR NEW AND REPLACEMENT UNITS

Riverside Public Utilities offers incentive to business electric customers for replacement or installation of central air conditioning units with high efficiency equipment.

CASH INCENTIVES

Incentives range from \$35-\$120 with a maximum annual rebate of \$5,000 per metered account. A Programs & Services Representative has complete details.

QUALIFYING EQUIPMENT

New high-energy efficient equipment qualifies for a rebate. Units must meet the following minimum requirements as defined by California's Title 24 codes: Seasonal Energy Efficiency Rating (SEER) must be equal to or greater than 12.0. A matching evaporator coil must also be installed to qualify for the replacement rebate amount.

CUSTOMER ELIGIBILITY

Open to business customers of Riverside Public Utilities with an electric account. If the applicant is a tenant/renter, the property owner must sign the rebate application prior to its submission.

CUSTOMER BENEFITS

- **MONETARY INCENTIVE** - Monetary incentive that helps offset the cost of purchasing new high efficiency equipment.
- **RETURN ON INVESTMENT** - Daily savings on your energy consumption and electric bill from the installation of new high efficiency equipment
- **MANAGING YOUR RESOURCES** - Effectively managing your resources can help your business or institution save money and increase efficiency.

Please complete the following information and include copies of dated sales receipts. Send application to the address on the back of this brochure.
